## CREDAI

'Credai' is a word of trust for a property buyer. Since 1999 'Credai' with its indefatigable efforts has elevated its name and emerged as a 'Brand' in the world of real estate in India.

It plays a significant role in policy making & is deeply engrossed in the process of making this industry as an organised sector.

It is committed to advance India in overall development, its presence has occupied the whole India and it is not less than a biggest brand.

## CREDAI PANDHARPUR

'Credai Pandharpur' is established in 2013 with an initial strength of 18 members, since then it is working continuously to make the city vibrant. Having sole business of reality and adding the beauty to the city, it is also involved in social activities, may it be tree plantation, erecting sign boards in city, swachhata abhiyan, warkari seva and many more things.

Being a national entity 'Credai' has its own code of conduct with which it has won the hearts of million buyers.

People feel safe & assured dealing under the name of 'Credai'.

## PANDHARPUR

'Lord Pandurang' has showered its blessings on Pandharpur.

Just not being famous as a Pilgrimage City, Pandharpur is advancing in every sector of development. Having ample water, vibrant economy, rich agriculture sector, well known educational institutes, hospitals, good connectivity - Pandharpur is flourishing rapidly & seducing people to settle here.

In the coming years Pandharpur will definitely acquire an important position in Solapur district, so will flourish the 'Real Estate business here.

To introduce mass people to the vast stock of properties in Pandharpur we have been organising a property exhibition named 'GruhUtsav' since 2024. After the grand success last year, this year we're organising it on a large scale.

So let's unite, join hands and work together to witness this joyful transition.
